

## NVSBG802SL: Front

Imprint Area: 6.5" W x 3" H

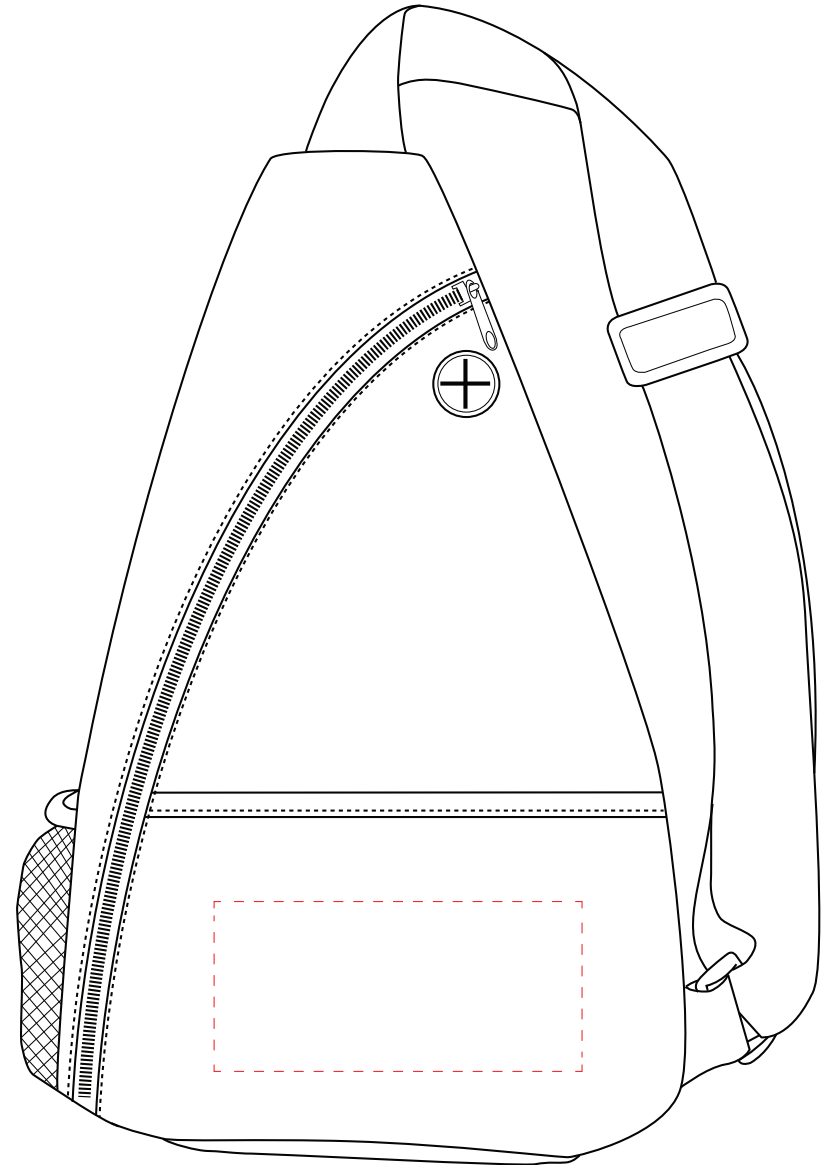

*Mock-ups are a close approximation of the final imprint size. The finished print may be slightly larger or smaller than the proof shown depending on the product and logo.*

*Unless otherwise directed Logos that do not exactly match the max imprint area will be printed at the maximum proportional size*

*Imprint Templates are provided for reference and art preparation only. Once ordered, your artwork will be reviewed by your product specialist and a final proof will be provided for final approval.*

Alternate imprint type areas:

Full Color: 6" W x 2.5" H

Front Logo Placement

**Templates are scaled down for logo placement and size reference**
