

NVSBG20001T: Front

Imprint Area: 9" W x 7" H

Mock-ups are a close approximation of the final imprint size. The finished print may be slightly larger or smaller than the proof shown depending on the product and logo.

Unless otherwise directed Logos that do not exactly match the max imprint area will be printed at the maximum proportional size

Imprint Templates are provided for reference and art preparation only. Once ordered, your artwork will be reviewed by your product specialist and a final proof will be provided for final approval.

Alternate imprint type areas:

Full Color: 8.5" W x 6.5" H

Front Logo Placement

Templates are scaled down for logo placement and size reference
